# *Introduction*

## **RELIANCE PAPER INDUSTRIES LLC**

Let us introduce ourselves as a leading manufacturer of hygienic tissue products in the U.A.E. Backed by professionals who have vast experience in the similar field, our products are renowned for its quality and affordability.

From a modest beginning in 2003, our hardwork and commitment has enabled us to grow leaps and bounds to become a market leader in our field of activity within a short span of time. We have made it a point to source best raw materials from prestigious suppliers all over the world to maintain quality of our products. Our products include maxi rolls, interfolds, C & Z folds, napkins, toilet rolls, couch rolls, auto cut rolls etc. to name a few. Our products are currently being catered to the entire U.A.E and other G.C.C countries. Apart from our own brands, we do private labeling wherein we supply customized products as per the client's requirement .

Having left a mark in the field of hygienic tissue products, we have ventured into manufacture and distribution of Cling films, Aluminium foils, Paper, Plastic , disposables, packaging and Cleaning products related to the HORECA segment. Our sourcing team is taking extreme care to see that we only supply quality and reliable products underlining our vision to become a notable player in this field too. Further, we take this opportunity to thank our customers and well wishers for giving us an opportunity to serve you with our products and services and rest assured that with our dedicated workforce, we will be able to meet your requirement and challenges.
